COMMENTS ON EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Applicant respectfully disagrees with the Examiner's Statement of Reasons for Allowance to the extent that there is any implication that the patentability of the claims rests only on the recitation of the particular features mentioned by Examiner in his Statement. Applicant respectfully disagrees with the Examiner's Statement because it is the combination of features that makes the claims patentable. Accordingly, Applicant submits that Claims 1-18, 20-26, and 28-35 allowable because the prior art does not teach or suggest the combination of features as recited by these claims.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
